Subject: Return of Original Superceded Small Mine Reclamation Contract and
Associated Addendum, M0110002, Thomas Pit, Lakeview Rock Products,
Inc., Davis County, Utah

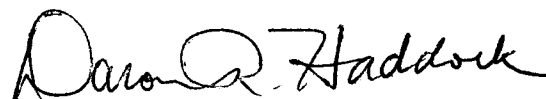

Dear Mr. Larsen:

Approval of the increased surety and large mine reclamation contract for M0110002 has occurred. The large mine reclamation contract has been executed as a result of a small to large mine expansion.

Please find enclosed the original superceded small mine reclamation contract and addendum. The return of the original small mine reclamation contract and addendum does not release the operator from current or past reclamation obligations and liabilities associated with the mine site.

If you have any questions or require further discussion regarding the content of this letter, please contact Minerals Surety Coordinator, Beth Ericksen, (801) 538-5318.

Sincerely,

for
